CARNEGIE COURSE
(Cont'. from page 1, Col. 3)

known men in all walks of life with the advantages of advanced education, have taken the courses and have found them to be of inestimable value in their dealings with their fellowmen.

There are many, no doubt, who have heard of this famous course, or who may know someone who has taken it, who would like to take the course themselves. Let have never had the opportunity before. Enrollment is still open and anyone who wishes to avail themselves of this opportunity may contact Mac MacKenzie, Rotary Club president, or call 542-9435 for further information.

COUNCIL MEETING
(Cont'. from page 1, Col. 3)

and motion was passed to approve and pass them for payment. Council then made a decision to meet with Haddon, Davis, and Brown Ltd. representative to discuss the Engineering accounts submitted at such time as possible.

lent to the firm but if possible not later than the end of the month.

Patricia Yukin Foreman Roy Stevens was authorized to attend the Third Year Course on Water and Sewage Operator's Instruction, at the University of Edmonton on 16th to 20th January, 1967.

Councillor John Swanto and the Town Engineer were set up as a committee to look after equipping the Water Tower with a Red Warning Light. Council also decided that Insurance Coverage would not be required on the Elevated Water Tower.

The Council re-appointed Willet Berge, and Co. as auditors for the next ensuing year and at the time directed that a request be forwarded to the Dept. of Municipal Affairs to appoint an Assessor for the Town of Drayton Valley to make the Assessment for 1967.

A Town Salary Schedule and were asked to bring in a report on a date convenient to the committee.

A petition from a group of the local Retail businessmen regarding early closing hours was placed before Council. The petition requested Council to amend the Early Closing Bylaw in order to provide for a half day closing on Wednesdays and Monday nights closing. This would mean that shops in the town would be open during the following hours:
Mondays... 8:00 to 9:00 a.m. to 6:00 p.m.
Tuesdays... 8:00 to 9:00 a.m. to 6:00 p.m.
Wednesdays... 8:00 to 9:00 a.m. to 12:00 noon.
Thursdays... 8:00 to 9:00 a.m. to 6:00 p.m.
Fridays... 8:00 to 9:00 a.m. to 6:00 p.m.
Saturdays... 8:00 to 9:00 a.m. to 6:00 p.m.
Council gave first reading to Bylaw No. 259 to provide for the amendments requested.

Councillors D.G. MacKenzie, K. Wahl and J. Swanto were appointed to a committee to check into

up the subject of the possibility of holding the Dominion Curling Finals in Drayton Valley. Council gave approval to sanction the appropriation of expenses for the promotion of the project.

It was pointed out that the incentives for admission, programming, concessions, etc., would very likely offset all expenses, but in order to gain the program it was necessary to have security of some sort to back it. For sometime now Council has been uneasy about the present water supply in view of the projected consumption figures and authorized the Town Engineer to advertise for tenders for drilling Test Holes for additional water supply on the East side of town.

The Public Works Chairman was asked to bring in a report on requirements for gravel, for sidewalks and street maintenance and connection during 1967.

The Secretary was appointed Constable Taker for the Year 1967.

Council meeting adjourned at 12:15 hours.

Canadian Legion

The Royal Canadian Legion, 27 per. Social and Bingo held in the Legion Hall last Saturday evening was a great success, according to members of the R.C.L. with a very good attendance of members and guests. On February 11th, the Ladies Auxiliary of the Royal Canadian Legion will hold a combination what drive and bribe game and social evening.

This coming Friday, January 27, the Legion will hold a dance in the hall. Lunch will be available; music will be supplied by the Diamonds, of Devon.

DON'T FORGET JACKPOT BINGO
Every Wed. night in the B.C. Community Hall at 8:00 p.m. Sponsored by the B.P.O.E.

PEMBINA NEWS ADVERTISER

Vol. 6, No. 4, February 2, 1961 A. Hayford, Publisher. Box 120, Drayton Valley.

P.N.A. 5 YEARS OLD

This issue of February 2nd, marks a five year interval since the time of the publication of the first Pembina News Advertiser, which was published, Issue 1, Vol. 1 on February 2, 1956.

Featured on the front page of the first issue, five years ago was the account of the first Ice Carnival held in Drayton Valley, which was slated for February 17th of that year. Here is a portion of the report as it appeared on page one, Issue 1: ICE CARNIVAL, "Times" come thick and fast these fast-moving days, but another great first planned for Drayton Valley is the big Ice Carnival to be held in Drayton Valley on the evening of Feb. 17th. Spark plug for the big event is Mrs. Marie Fiewelling, who has had considerable previous experience in conducting similar events. Marie is the wife of Frank Fiewelling, who is bigwig for General Petroleum for this area.

As well as the figure skaters who will be entertaining the guests for that evening Drayton Valley mines will also have a chance to compete for the limelight when the Carnival Queen is chosen from among five entries put in by business houses along Oil Row.

Representing the Mobil Oil Pegasus Club will be Gladys Lamon; Gladys will have some real competition in the other four entries listed too: Joyce Humphries, sponsored by Flinn Rig; Marlene White, sponsored by Pembina Pipe Lines; Irene Beck-

ley, sponsored by Security Engineering, and by Al Patterson, sponsored by Dowell Inc.

As well as the honor of being chosen Queen the top-spot place also carries with it a handsome \$50.00 cash prize, which is a nice start toward a milk coat nestegg. Names and pictures of the figure skaters will be announced in a future issue. (The pictures of the live ladies chosen as Queen contestants are placed in the following issue of February 9th) winner of the Queen contest was Miss Joy Ann Patterson, who is now Mrs. Don Beckley. As well as the figure skating and other events (clowns, etc.) it is said that there is going to be a costume parade for the youngsters. In the evening there will be a dance in the Scout Hall to the music of the Les MacDonalds Orchestra from Edmonton. Proceeds from the various events will go towards the Scout Hall.

(As a commentary on how fast the turnover of population was in those days we will list the Scout committee members of that day: Angus McNeil, Chairman; Hugh Coffin, Secretary; Frank Fiewelling, Treasurer; Others on the committee were Ray Wickens, Don Anderson, Bob Carlson, and Mike Beck. How many of that committee are still in Drayton Valley, five years later?

Among the Advertisers in that first issue were Wilmar Foods, (Now the Drayton Valley Groceries), Crown Lumber, Ed's General Store, Violet Grove,

MobilSheet Metal Co., Lantern Inn, Violet Grove, Drayton Valley Hotel, Pembina Gardens (Now Club Cafe), McEwen's General Store (Now Block), Imperial Lumber, Glen Contract-

(Cont'. page 16, Col. 1)

DENTAL OFFICE

Fast-growing Drayton Valley acquired a new dental office, which will open for business about the 20th of February. Open the new 3-chair office will be Dr. H. Shimbashi, formerly in dental practice in Ponoka.

Dr. Shimbashi was born in Taber, Alberta, where his father is a farmer. He graduated from the University of Alberta and went into practice in Ponoka, where he remained until he disposed of the practice there to open the Drayton Valley office.

Very sportingly he coached the Ponoka High School football team, the Broncos, who went on to win the Central Alberta championship under his coaching. The Edmonton Eskimos have recently signed up six of the lads that he coached.

Dr. and Mrs. Shimbashi and their three children have acquired a suite in Drayton Valley. The dental office, known as Drayton Valley Dental Clinic, is located next door to the post-office.

District Personalities

Photo by Curt's Studio.

With the coming of the National Amateur Boxing Championships to Drayton Valley the middle of May, with its attendant publicity for this area we will look at a District Personality this week who has played a major role in boxing in Drayton Valley since the Boxing Club was first formed in December 1968, The Boxing Club is now under the auspices of the Drayton Valley Athletic Association.

Gordon C. Cross was born near Ponoka, where he lived on a farm until the age of 16, when the family moved into Ponoka and operated a service station and restaurant. In 1949 Gordon joined the army. He was sent north to wear clothes and equipment for the army under cold-weather conditions. He was discharged in 1950 and went to

Vancouver where he engaged in construction work in British Columbia for a couple of years, when he returned to Alberta and went to work on drilling rigs in the Peace River country. Then he spent three years in road construction as a foreman of a road crew. Returning to the Camrose district he went to work in the oilfields again and in 1955 came to Drayton Valley and went to work for Campon Pipe Line, under his brother, Fred Cross, who was field supervisor of Campon. In 1957 he went to work for Mobil Oil, where he is now employed as pump maintenance man.

Gordon has always been interested in boxing. "Cross, Sr. had been a good boxer and had taught the boys boxing, so young Cross started amateur boxing county exhibitions at the age of 14. Later he moved to Ponoka and teamed up with two other young men to form a boxing club and Gordon fought all over Alberta in the amateur light-heavy weight class and later as a heavyweight. In the army he did quite a bit of boxing and later on the coast and back in Alberta, boxing independently of a club. In late 1958 a Boxing Club was formed in Drayton Valley and Mr. Cross was made president. Within two months a training program was underway with Cross as head trainer and under his training young boxers of this area have won many trophies: there are also two Golden Glove champions, one Northern Alberta Championship and one Provincial Championship to the local Club's credit. Mr. Cross says he hopes to get at least one boy in the National Amateur Championship to be held in Drayton Valley in May. Mr. Cross married Miss Ethel Rubin in 1957. They have two children, Gordon is a member of the Drayton Valley Athletic (Cont'. page 16, Col. 3)

The picture shows the first location of the Pembina News Office which was located in the northwest corner of Hillcrest Trailer Court. This picture was taken in August, 1955. The picture is now located in the Tucker Building in January, 1957. This picture was taken by Socony Mobil Oil Co., Inc. as part of their Photo Library. It is used by courtesy of the local Mobil office.

DR. JOHN WOYTUCK B.A., L.D.S., M.R.S.H.

DENTAL SURGEON

MEDICAL CENTRE TO HAVE FULL TIME DENTIST

Dr. John Woytuck, now the dental surgeon at Bolseval, Manitoba will soon be moving his practice to The Medical Centre.

Born on a farm near Lando, Saskatchewan, he took his early high school by correspondence, then graduated from Bedford Road Collegiate in Saskatoon.

Dr. Woytuck then entered the University of Saskatchewan. He graduated in 1953 with a Bachelor of Arts degree, majoring in Music. One year was necessary to complete the requirements for the course in Dentistry. Upon completion of these requirements, Dr. Woytuck entered the Faculty of Dentistry at the University of Toronto.

During his undergraduate studies Dr. Woytuck received several bursaries, and the Dr. P. G. Anderson prize for Operative Dentistry. Interested in sports, he played and managed both hockey and football and for his efforts received the Faculty of Dentistry Athletic Award.

May, 1958 brought graduation. Dr.

A husband in someone who expects his wife to be perfect—and no understanding why he isn't.

Sam, the private eye, was giving his current client a report. "I trailed your husband into four bars and then to a bachelor's apartment," he said.

"Ah!" exclaimed the wife. "Go on, go on! What was he doing there?" "Well, lady," Sam responded in an embarrassed tone, "just as I would make out he was trailing you."

Woytuck received the degree of Doctor of Dental Surgery, (D.D.S.), graduating near the top of his class. After passing the National Dental Examining Board examination, Dr. Woytuck moved to Bolseval where he began the practice of Dentistry. Soon after he married Elaine Paulson; they have one child, Daniel Cameron. Mr. Woytuck is also a graduate of the University of Toronto, in the field of Dental Hygiene and works with her husband as a Dental Hygienist.

At Bolseval, Dr. Woytuck was active in the community, having served in the Chamber of Commerce and Lion's Club. Having an intense interest in wildlife and conservation, he was President of The Turtle Mountain Game and Fish Association. He coached juvenile hockey and football in the town, the football team winning the league championship in the first year.

A new Medical-Dental building is now being planned for the Medical Centre where he will be taking over large modern offices.

A fast-moving auto suddenly left the road, leaped over a couple of retaining walls and rolled over on its top in an adjoining field.

A highway policeman, having on the speaker's belt, pulled up beside the overturned car. "What in blazes do you think you're doing?" he demanded. "You drunk or something?" "Certainly I'm drunk," snarled the driver. "Whaddya think I am—a drunk driver?"

GREEN ACRES

by DICK BOCKING
Sources of Credit

Credit is necessary in any business, and farming is no exception. With the need to larger farm operations and increased mechanization, credit is needed more than ever on our farms. Following is information on the various sources of credit for farmers in Alberta.

The Farm Credit Corporation, a Federal Government Agency, provides loans for any agricultural purposes at 5 per cent interest. The maximum loan is \$75,000 and repayment can be spread over thirty years. Loans secured on land only cannot exceed 75 per cent of the appraised value. In some cases, however, part of the loan may be secured on livestock and equipment as well. The Corporation has approximately 45 representatives throughout the province.

The Provincial Farm Purchase Board, established by municipalities and councils, lend money for the purchase of farm lands. The maximum amount which can be financed under this scheme is \$24,000 or 80 per cent of the purchase price. The interest rate of 5 per cent includes life insurance on the purchaser. The loan must be repaid within twenty years and be for the borrower's 60th birthday.

The Veterans Land Act provides for loans (2 per cent on the initial loan and 5 per cent on subsequent loans) to veterans who satisfy the minimum service requirements. These loans can be used to buy land, buildings, livestock and equipment. The maximum initial loan is \$6,000 which must be repaid within 25 years. The V.L.A. holds title to the property until the loan has been repaid.

Farm improvement loans for equipment, buildings, or other improvements are available through chartered banks. Interest is 8 per cent and terms of repayment extend to 10 years in some cases. The borrower is expected to pay from 20 to 40 per cent of down payment. The maximum loan under this scheme is \$7,500.

Under the Provincial Farm Home Improvement Loans Act sums up to \$2,000, 00 am available at 5 per cent interest for improvement to the home. These loans are processed by mortgage branches and terms of repayment may extend up to 10 years.

The major sources of short term credit chartered banks and money branches. They provide credit for operating expenses

and other items at 6 per cent interest. Repayment terms may extend up to 2 years.

The Federal Agriculture Guarantee Act provides for a guarantee to lending institutions who make credit available to organized groups of farmers for the purchase of feeder livestock for fattening. Loan funds for individual members, a fee, are \$3,500 for a new feeder and \$5,500 for a feeder who had fed one or more years through a government guarantee feeder association.

Other sources of farm credit include unions, agricultural processors, feed companies, commercial finance companies, mail order and insurance and trust companies. Interest rates and repayment terms vary.

Your MP
Dr. Hugh
Horner
Reports

The Baby Budget brought down in December made a number of changes in our tax laws. All of these changes were to stimulate the economy and to give to Canadians greater control over their own industries.

The smaller companies who have paid a lower percentage of tax on their profits, 100,000 income have had this limited extension to \$30,000. This will extend their tax benefits to an additional 4,000 companies. Together with other policies proposed by the government at this session to assist small business, this measure will have a significant impact. Companies especially those which are not large enough to have ready access to the security markets, are in a position to enlarge the scope of their operations and to create more employment if their immediate needs for cash to pay taxes are relieved. This tax change is expected to reduce revenues by \$24 million or a full year basis. It will have no material effect on tax revenues for the remainder of this fiscal year, but the stimulant will, of course be immediate.

The most important of our immediate objectives is to deal effectively with the problem of unemployment. Another of the objectives of the government is to achieve a wider measure of industrial processing in Canada of our raw materials and natural resources. As a powerful natural resource, to these ends the Government announced measures to fulfill three major purposes: First, to assist new industries in areas where there is a substantial degree of continued unemployment over the years; second, to aid the development of new products from processing operations not hitherto carried on in Canada; and, third, to encourage the development of the option of the

taxpayer be allowed in respect of capital expenditures incurred in the first three years.

There were other tax changes made in the budget speech. One particularly dealt with corporations. It granted non-resident corporations of subsidiary corporations in Canada. Now all non-resident shareholders of a Canadian subsidiary whether or not they happen to be controlling parent corporations shall now pay the full 100 per cent on dividends they derive from their investments in Canada. This brings Canadian subsidiary companies on a par with fully owned Canadian companies and non-resident shareholders in the same category as resident shareholders. In addition the budget contained a great deal of interest and some concern in changing the taxable income earned through interest on bonds. In recent years, income tax has deliberately been in a form that is tax free. The method in which this was accomplished, bonds were being issued at a discount. For some organizations it has been a matter of financial indifference whether they pay the cost of borrowed money in a form of interest or discount. The government has decided this plug loophole in the income tax law and has deemed that the whole proposal concerned university education. From now on students attending university will be allowed to deduct their tuition fees when computing their taxable income. The next result of the budgetary changes is outside Canada coming into Canada has had a tendency to reduce the demand for the Canadian dollar which has brought the Canadian dollar to a point where it is on a par with the American dollar.

To persons engaged in agriculture in Western Canada this will have a very beneficial result. Our price for our export grain will naturally be reduced in terms of American dollars. Any cattle or livestock moving across the border to the United States could move at less expense and there fore have a tendency to strengthen Canadian markets on livestock. The Government in the past three years has attempted to bring the Canadian dollar on a par with the American dollar through various steps and measures and it now seems that one dollar will remain on par with the American dollar, which will also be a big boost to pulp and paper exports. These along with newspaper make up Canada's largest export products.

LOOKING AT RECREATION (Cont.) from page 4, Col. 9

January 28 inclusively. Including the games played within the club, and Scout organizations on Saturday morning, there were a total of twenty-one hockey games played during the week. This does not include the four games that were played by our very fine intermediate team, the D.V. Rebels. This certainly sets a record for hockey in Drayton Valley. I think that the week's schedule

UNITED CHURCH NEWS

THE DRAYTON VALLEY UNITED CHURCH ANNUAL MEETING.

The Annual Meeting of the Drayton Valley United Church was held on Tuesday Evening January 17th. The meeting began with an hour of Fellowship. The ladies of the W.A., served desert and coffee during this period. Those present then viewed the filmstrip, "Beyond The Bell" dealing with the work of the United Church of Canada beyond the local congregation.

The reports which had been circulated previously were dealt with and adopted by the meeting. The Session reported that 42 new members had been received during the year, however, 17 members had moved and transferred to other churches. There were 91 infant baptisms during the year. The Treasurers report was presented by Mr. H. Cathers. Receipts for the year were approximately \$15,000 which represented an increase over the previous year. A budget for 1981 was adopted providing for anticipated receipts of approximately \$21,000 for 1981. Participation in the Sector Plan was credited with stabilizing the financial position of the Church. Both the Stewards report presented by Mr. Earl Thompson and the Sunday School report presented by Mr. Gann made note of the fact that the present building is not now large enough to accommodate the Sunday School and the Scout Hall is now used regularly on a rental basis.

Particular satisfaction was expressed regarding the reports of the C.G.I.T. and the Explorers Groups. The C.G.I.T. reported an enrollment of 59 girls and the Explorers an enrollment of 10 girls.

Other groups reporting included the Senior and Senior Choir, W.A. groups, Couples Club and the newly organized A.O.T.S. Mens Club.

The following were elected to the Session: Mrs. Art Dixon, Mr. Bill Kelso, Mr. Jim Samboyko, Mr. Wilf English, Mr. Roger Conger, Mr. Dave Elsey, Mr. Ernie Lindholm, Mr. Howard Cathers, Mr. Earl Thompson, Mr. Dave Johnson, Mr. Ernie Gill, Mr. Don Compton and Mr. Roy Stied.

Elected to the committee of Stewards are Mr. Frank Payne as Chairman, Wayne McLaren, Earl Kelly, Bob Fargie, Bob Huber, Bob Sargano, Ken Mc Kay, Doug Toland, Chuck Twissell, Roland Press, Don Tipper, Ed Little, Oliver Seal. Rev. Albion Wright acted as Chairman of the meeting. DRAYTON VALLEY UNITED CHURCH ACTS MEN'S CLUB CHARTER NIGHT. The Drayton Valley United Church AOTS Men's Club re-

ceived their Charter on Thursday Jan. 25th from the President of the Sponsoring Club, Mr. Val Ross of the Newwood United Church AOTS Men's Club. Participating in the ceremony with Mr. Val Ross were the Rev. Ray Smith Minister of Newwood United Church and Mr. Hollis Cleard of Edmonton.

The following officers were installed in office. Mr. Jack McLennan, President, Mr. Fred Cull, Vice President, Mr. Lionel Lant, Secretary and Mr. Don Clapp, Treasurer.

Name speaker of the evening was Mr. Fred Holbertson of Lethbridge. Field Secretary for Western Canada of the United Church Board of Men.

Stewards and Elders of the Evergreen Pastoral Charge and the Drayton Valley Pastoral Charge came together in Drayton Valley on Jan. 25th for a School for Elders and Stewards, under the sponsorship of the Drayton Valley United Church.

Mr. Fred Holbertson, Field Secretary with the United Church of Canada Board of Men was on hand to direct the School together with Mr. Rhyson Christle of Brudenheim, the Alberta representative on the Board of Men.

There were 40 men and women present at the School for the evening program. The program consisted of a lecture, discussion and fellowship period.

GYMKHANA NEWS

In regards to the coming dance on February 10th, it has been decided that bidding on the Box Lunches will be restricted to \$1.00, to give come on, get busy, pack a lunch for two, and decorate the box. There will be a prize given for the best decorated box, as well as a door prize and different novelty dance prizes. Admission will be by tickets only, so come on, get your tickets from any member of the Club.

This coming Sunday a meeting will be held, probably in the Legion Hall at 3:00 p.m., notice will be mailed out informing members of the definite time and place. That will be Sunday February 8th. Let's see a good turn up for this meeting. We have some points we must like to clear up as soon as possible and would like to see as many members and prospective members present.

The Chapel Hour DRINKING AND DRIVING

By - Rev. A.L. Sanderson, General Secretary, A.T.A. Submitted by: Pastor Wilf.

DRINKING AND DRIVING A Suggested Solution.

Along with the increased consumption of alcoholic beverages in Canada there has arisen the serious problem of impaired driving. There is a pressing need to solve this problem in order to save hundreds of lives on our Canadian highways.

Hon. Gordon Taylor, minister of highways for Alberta, stated at the National Highway Safety Conference that alcohol was involved in forty per cent of the fatal highway accidents in Canada. A study of the highway accidents recorded in Western Canada, New York, over a seven year period, shows that forty-nine per cent of the drivers killed in single-car accidents were intoxicated. There is no doubt about alcohol being a co-partner with the grim reaper who takes his harvest from the twisted car wrecked broken bodies along our highways.

The question arises: Is it permissible for a social-drinking motorist to take a certain amount of beverage alcohol and still sleep within the limits of safety?

This question is answered by Dr. C. G. Drew, of London University, in his lecture to the 96th International Congress of Alcohol and Alcoholism held in Stockholm, Sweden, in August, 1960. Dr. Drew led a commission appointed by the ministry of transport of the British government to investigate the effect of alcohol on driving skill. The Drew Commission, which embraced the highest scientific and medical talents, spent over two years on its investigation. Dr. Drew, during his address on "The Influence of Small Doses of Alcohol" to the Stockholm Congress, stated: "The evidence from the view that skill begins to deteriorate as soon as any alcohol is in the blood."

It is significant that as the investigations on impairment of driving skills have progressed during the years the point of impairment indicated has gradually dropped from .05 of one per cent of alcohol in the blood to .03 of one per cent and now, according to the Drew Commission's report, the safety zone has been abolished and "the evidence favors the view that skill begins to deteriorate as soon as any alcohol is in the blood." This means that we must take zero as the point from which impairment begins and abstain from drinking when driving.

Canada.

Some may raise the query: "Would not a law forbidding drinking infringe on human rights?"

The answer is "NO". The primary human right is the right to life. This right is woven into the fabric of our legal and social structure. Impaired driving impinges on this primary human right.

The licence to drive on our highways is not a personal right. It is not conferred upon all citizens. It is a privilege conferred by license only upon drivers who have passed the driving tests and who are deemed capable of driving efficiently and without danger to the public. It is apparent from scientific investigation the alcohol even in small quantities impairs judgment and driving skill. The mounting death toll on our highways, with about half the fatal accidents caused by alcohol, warrants drastic action to keep the drinking driver off the highways. How? Simply by banning the driver who has been drinking. A breath test can easily be taken by the highway patrol. When a licence is issued to a driver a clause may "imply consent" to submit to a breath test on demand by a police officer. Refusal to do so would mean loss of the driver's licence. Such a provision would not infringe on personal rights and would go a long way to protect traffic against impaired driving.

Would such a law banning the drinking driver be popular? Would it be polite for a democratic government to pass such legislation? This type of law would be welcomed not only by citizens who drive but by the general public as well. There probably would be a lobby against it by the liquor interests but among the voting citizens such a law protecting life and limb on our highways would be commended. The travelling public, in particular, would welcome legislation which rules out the hazards created by drinking and driving.

The report of the Drew Commission should have its effect on law and law enforcement governing motorists. Dr. John Linton, secretary, Canadian Temperance Federation, reporting the Stockholm Congress, states: "In the U.S.S.R., drinking and driving is not permitted. All the policemen have to have a simple device into which the driver blows and if any alcohol is indicated, he is guilty. This is certainly a simple cost procedure." We may add that it is in accord with the latest scientific investigations that we should permit only alcohol-free drivers to use the highways and streets of

LOOKING AT RECREATION

(Cont. from page 11, Col. 3)

and program would be equal if not superior to any town across the province. "Especially, I am very satisfied with the week's ice activities." I sincerely hope everyone else is also. Any more than that might have been too much of a good thing; and too much might have gone away with less, however, we must remember that this was "Minor Hockey Week" and after all hockey is our National Pastime. I wish to sincerely thank Clayton Rosenberger, the co-ordinator for Minor Hockey in Drayton Valley, the coaches and managers of the different "Minor" teams, those men who furnished transportation for out-of-town games and everyone who helped in any way to make such a tremendous success of "Minor Hockey Week" in Drayton Valley.

Here is a brief description of what took place hockeywise in D.V. during the past week. In the Pee Wee Intro Town League, Bill Ward's Canadians kept on perfect record by scoring three more very impressive victories. The Canucks took the Hotel Flyers 6-2, crushed the D.V.A.A. Rangers 6-1 and run over the hoppers D.V.A.A. Red Wings 6-2. Freddy Johnson was the big gun for the Canadians with 5 goals and 6 assists in the three games. Kenny Leavis picked up 4 goals and 6 assists; Stanley Leavis also picked up 6 markers while Terry Ward came through the big week with 3 goals and 4 assists. Terry Sharkey scored the other goal while Elwood Johnson was a power house on the defense helping out in no less than five games plus Ray Letwinski scored both goals for the Wolves in the game with the Black and Gold. Gordon Brown and Barry Russell were the Oil Kings 5-0 on Wednesday evening. Allen Schultz got three marks while Kenny Sieben and Billy Muter each scored once for the Elm team. Robin Johnson collected his first goose-egg of the season. Friday evening saw the up and coming Elm kill on the warpath as they set back the force-running Rotarion 5-1. Lanny

Schultz, Billy Muter and Allan Mattoon were the Elm mainstays while Kenny Bils scored the lone Rotarion marker.

In exhibition hockey the D.V. Pee Wee All-Star dropped a 4-1 fixture to a Pee-Wee-Bantam outfit from Calgary. Elwood Johnson scored the lone D.V. tally. The same team bounced right back on Sunday afternoon to take a thrilling 4-3 decision over the Redwell Hornets. Fred Kari was the big gun with a hot stick while Gerry Ward got the other home marker. The Bantams "All Stars" downed Calmar 6-2 on Saturday with Steve Semmes leading the way with 3 goals. Eddie Harsal got a pat and Cliff Lindskog got the single. On Sunday, the local Bantam team had a close call when the Redwell Rockets came back with four third period goals to tie the game at 6-6. The local scorers were Palmer, Muter, Allan Schultz, Carl Mattoon, Lorne Heika and Kenny Sieben.

The Midgets only played one game, losing a 8-0 outing to Wabumon on Thursday evening. This is the team that the locals will face in the Provincial Play-downs.

Among "Chuck" Dion's Juveniles this weekend was to quite favorable. They scored a 6-2 victory over Lodgepole, sponsored by Mayershoe Millionaires 7-4 at home and dropped a 6-3 road fixture to the same club at Mayershoe on Sunday. Sherman Mohr got a couple of markers while Smith, Phil, Ted Sieben, Tucker and Tom Sieben added singles in the Lodgepole game. Agnar Mayershoe Gordon Tucker scored three times, Alvin Mohr got a pat while Sherman Mohr and Tommy Sieben added singles in a thrilling game. The Juveniles have come along very well and if they make it into the Provincials, they certainly will give a splendid account of themselves.

Two Applications for memberships were accepted at the last meeting, we now have forty-seven members.

ART SHOW:

Well! The last of the Travelling Art Exhibitions has come and gone leaving some favorable impressions and some not quite so favorable. Personally, I thought that the first of the three exhibitions was by far the best one of the lot. The last one certainly was a letdown since, in my mind, it certainly did not live up to pre-exhibition advertising publicity. On the whole most of the paintings were except those of the art painted by the top artists in Alberta today, however, many belonged to the abstract class which does not seem to be very popular with the average person today. In the first exhibition there were several nature scenes which seemed to be commented on much more than any other class of picture. On the whole, I think that the exhibitions served their purpose very nicely in this community and were certainly worth the effort of presenting them. They were not very widely viewed however, those who attended

seemed to be satisfied with what they saw.

HERE AND THERE:

A vote of thanks to Lou Matlock who made a stopover available for use at local hockey games.

Best wishes for a speedy recovery to Jack Falls, President of the Drayton Valley Athletic Association who is convalescing in the local hospital.

LEGION AUXILIARY

The Legion and the Auxiliary held a joint meeting in the Legion Hall on January 4th, 1961. Commemorative Cradock Zone Comrade Hargrave got the pat and Cliff Lindskog got the single. On Sunday, the local Bantam team had a close call when the Redwell Rockets came back with four third period goals to tie the game at 6-6. The local scorers were Palmer, Muter, Allan Schultz, Carl Mattoon, Lorne Heika and Kenny Sieben.

On January 8th the Ladies Auxiliary catered to sixty five couples taking part in the Legion Zone Playoffs. The Hot Supper was served in the Legion Hall.

A Bingo and Social was held in the Legion Hall on January 21. Each member was entitled to bring a guest, about sixty members and their guests attended the evening's entertainment.

A Whist and cribbage Social will be held in the Hall on February 11th. Only members and guests will be admitted. Each Auxiliary member attending will be responsible for bringing lunch for Four People and a Deck of Cards.

Our next meeting will be held on February 19th, we hope all members will turn out and bring a "Coffee Mug for Roll Call".

D.V. Highlights

By: Edith Dey

Mr. Russell Brown flew to Vancouver to visit with her parents and brothers and sisters. It is the first family reunion to be held for some time and Mrs. Brown has been looking forward to it. Min Sheila Vandergift made use of four free days to visit her parents and sisters in Drayton Valley. Sheila has taken a great liking to Dick and Gilda and seems to have taken an even greater liking to Sheila.

Mr. Jack Falls has many friends are most concerned to hear of his sudden illness and hope that he is feeling much better soon.

Mrs. Hill Sr., of Violet Grove left last night to join her Ontario relatives for their annual trip to Florida. It would appear that Mrs. Hill planned her departure cleverly. She enjoyed our good weather and left just in time to avoid this last onslaught.

Mrs. Jean Miller pyramided in the absence of Mr. Byram.

Mr. Fayre, noting that the treasury was empty reported on plans for a Bake Sale to be held in the Hudson Bay on Saturday February 11th, between 2 and 4:30 p.m. All mothers are asked to bring baking for the "Bake" between 1:30 and 2 p.m. Money in the amount of ninety \$100.00 must be raised to replace the fence which was stolen from the school grounds prior to erection.

Mrs. Deane reported on the "Vanilla Offer" the coffee maker (West Bend) we have in a being sponsored by the A.O.T.S. Men's Club of the United Church.

Mrs. Walter Krasne, chief librarian, is very busy with a correspondence course dealing with all phases of library administration. Mrs. Krasne reports that staff membership is growing in the library. Some of the newest fiction and non-fiction will soon arrive. Mrs. Krasne extends a most cordial invitation to anyone interested to come in and browse about.

Mrs. Palfrey reported on the Cameron Report Study Committee. We are still waiting for some of our study material to arrive.

Mr. Murdoch of the Highway Safety Board gave an interesting

(Cont. page 18, Col. 1)

HOME AND SCHOOL

(Cont. from page 14, Col. 1)

outline and talk on School Bus Laws "including school bus speed tests and B.A. Operator requirements."

The age of 15 minimum requirement was questioned as being too young, also questions regarding Safety Meetings for Bus Operators were discussed. Among other things Mr. Murdoch noted was the fact that few people seemed to be aware of the Traffic Law stating that it is against the law to pass a school bus from either direction while it is loading or unloading passengers. The operator may take the license number of an offender and a stiff penalty can be imposed. Anyone wishing to know more about these laws may contact the Town Police, school Principals or the Highway Traffic Board for further information.

Following his talk Mr. Murdoch also showed a very interesting film on various types of people who drive cars. This film was also shown in both schools.

Notices for this meeting were not sent out as Mrs. Joan Grey has been ill. Speedy recovery is hoped for. Just as you don't miss the next meeting please circle the 4th Monday of every month on your date calendar and the next one is Mon, February 27th.

We hope to see you all. A very interesting program has been planned.

Reported by: Mrs. Mackenzie

YOUR FIRE DEPARTMENT

Congratulations are in order for the good citizens of Drayton Valley. We made it through the first month of 1961 with only one fire, and that was of very minor consequence.

On Jan. 21 at 10:15 a.m. we received a call from control a fire which had been started by a newly poured cement foundation from freezing, and had got a little out of hand. Damage was nil.

That is good news; particularly at this time of the year when heating apparatus is beginning to get dirty and junk is starting to collect in the basement. How's your home or trailer? Have you checked your furnace or heater lately, or strengthened out that inevitable gathering of debris you have some place around the home?

If not, please do soon - fighting fire in this weather is miserable.

Quite possibly in the next little while you will be approached to buy a "Vanguard Warning Alarm". For your information your fire chief's hearty approval of this product as a good early warning device in case of fire in your home, and could quite possibly save you much in property and lives.

BASKETBALL

PACERS SET TERRIFIC PACE IN P.V.B.L. COMPETITION.

Bob Barker's Drayton Valley Pacers continued to set a blistering pace in the Pembina Valley Basketball League race with a 44-23 victory over the Ennawhite squad at the "Frank Madoc" High School Gym last Friday evening. The Pacers, playing out of the local high school, have won all four of their league fixtures to date and presently are well out in front in the league race.

The Blue and Gold dominated the play from the opening whistle and in spite of the fact that the visitors fought back stubbornly and threatened to break out into a scoring rash from time to time, they were never really in contention. The home team took an early lead on some very fancy scoring by Ernie Bwaschuk and Bob Barker and had a commanding 39-15 lead at the half time mark. From here in the locals just seemed to coast to victory.

Ernie Bwaschuk was the man of the hour scoring some fourteen points. Bob Barker accounted for ten more and Wally Mohr got six markers. Alvin Hogue who had been averaging 12 points per game in the three previous league outings was a marked man throughout the contest and only got four points from his night's work. The Ennawhite defenders saw to it that big Alvin did not have a chance to get wound up as they followed him around like queen's valets. On the whole it was a very fine display of

basketball featuring some outstanding plays on both sides especially during the first half of play.

Next Friday evening the fast-stopping Pacers will host the Ennawhite squad once again at 7:30 p.m. at the local high school gymnasium.

In the Junior League things were not so good. The D.V.H.S. Juniors dropped their second straight game when the Ennawhite Juniors upset the home boys 54-13 in a court-warmer before the Senior game. The local Juniors seemed to get off to a bad start and never did recover. The Ennawhite team, on the other hand, were in command most of the way and made most of the key plays of the game.

Notebook

Wedding bells rang recently for Mr. Wilf Desjardis and Miss Vera Huppel who were married in Camrose on January 14th. The former Miss Huppel was previously employed with the White Ball Restaurant.

Mrs. Joan Aspellet left to join her husband Doug at Whitecourt recently. When Mr. Aspellet was transferred to Whitecourt by Mobil Oil a few weeks ago, Mrs. Aspellet remained behind to await a new arrival. When Carolyn Ann arrived in Drayton Valley Hospital as per schedule and soon

as they followed him around like queen's valets. On the whole it was a very fine display of

P.N.A. 5 YEARS OLD (Cont. from page 1, Col. 3)

to: Medical Centre, Allans General Store, Violet Grove; Cardium Theatre; Drayton Valley Hotel Coffee Shop; A. Miler Insurance; M.A. Lelip & Co.

Peleg's Welding Service; Violet Grove; Lloy's Jewelry; Valley Valley; The Drumstick Restaurant; (no longer operating); Western Travel Court; Valley Department Store (under former owner); Pembina Truck Town Service Ltd. (now Rep-Air Service); Marshall's Bakery (in the present White Bull location); the Bowdoin, Drayton Valley Motors; Penney's Inc. (Violet Grove); Centrefold Motel and MacKenzie Shoe Store.

Mrs. Edith Deily was a contributor to the first issue with her Drayton Valley Highlights, among her contributions was this item: "I think of the All-Maiden's and pleased to see him getting snow again. Mr. Madhus has been suffering from a severe attack of arthritis."

Bowling News contributed by Don Parkin who was working for the Oil and Conservation Board at that time. Among the items listed in the "Observation Tower" (in the present form of Scoop's Notebook were) "In Ken's Men Wear a new face has been seen recently. The face is the property of Jerry Key, recently

ly of Edmonton who is assistant manager of the men's wear shop. Jerry is taking the place of Darrell Smith who left recently to take over the management of Ken's store in Red Deer. According to the "Vital Statistics" record Mr. Key is unmarried. Another item stated "Dr. Theodore Brooks had a truly long distance call a few nights ago, when his brother, Dr. George, of Kent, England telephoned him to tell of the passing of their father, Dr. Jabbus Brooks, of Bedford, born in 1861. Dr. Jabbus studied medicine at the time when such mighty figures as Lister and Pasteur were preparing the way for modern surgery. Dr. Jabbus Brooks, was himself the son of a physician in replying to the call, sending messages of condolence to the family in the Old Country Dr. Theodore replied with a statement from Bunyon's "Pilgrim Progress" which was written in the city of Bedford where his father died.

At the Federal census taken in 1955 Drayton Valley enumerated 1953's population of 2548. One year ago, four years after the 1955 census, Drayton Valley had a population of 3821. The 1961 census figures will soon be released which will no doubt show another rise in population. From February 1956 to February 1961, next col.

DISTRICT PERSONALITY (Cont. from page 1, col. 5) Association. He is now busily engaged in getting his boys ready for the next boxing bout to be held in Drayton Valley in February and getting ready for the National Amateur Champion ships.

NOTEBOOK, Cont. from page 15, col. 3. after that she and her mother left for Whitworth, Mrs. Ames left had been staying with her parents, Mr. and Mrs. Jack Heyland.

Swains' Enso Service just out of Lacombe, has a first class restaurant in connection and a new innovation is Swains Museum with many interesting articles such as petrified wood, a dinosaur bone, very old tools, etc. but they stand in a class by themselves in another respect. While diners are eating in this establishment a lad goes around cleaning the windshields of their cars. Super deluxe service!

P.N.A. (Cont. from prev. col.) 1961, a list of new buildings would be quite lengthy. Several buildings in the community have been done since that time. The Pembina News Advertiser is glad to have been a part of this fast-growing community.

BOXING CARD IN DRAYTON VALLEY

Drayton Valley's Boxing Club, under the guidance of Gordon Cross has put on some excellent boxing events since the formation of the club about three years ago, but the card to be staged on Thursday, February 16 will top them all for action and first class fighting.

At least ten bouts are assured for the evening and fans will get more than their money's worth as local boys, and other boys from other clubs, mix it vigorously in the squared circle, in the Elk's Hall.

Another thing that will bring interest and enthusiasm to boxing is the fact that Drayton Valley has been selected as the point for the staging of the National Amateur Boxing Championships, when Amateur boxers of all weights, from all over Canada will be here in Drayton Valley contending for the amateur title in the various classes. In all probability Drayton Valley Boxing Club will have at least one boy in this mid-May finale also, which, and it goes without saying, will bring added prestige and publicity to this community.

At the moment of writing it is expected that the renowned Hobbsman Warrior Boxing Club from the Hobbsman Indian Reservation will be on hand for the fight Thursday week. The Hobbsman Club is a group of full-blood Indian boys, who make up a very formidable team. If the Hobbsman boys get here the local club's Combe will be matched with Pettis Hodgson, the "Hobbsman Hurricane" for the main event. Should the Hobbsman Club not be able to get here for some reason, young Combe will be matched with John L. Sullivan of the South Side Legion.

Seating space is limited for these events at the Elk's Hall so any one planning on coming should be there early. Fight will be scheduled to start at eight o'clock.

Gordon Cross is preparing a tough training schedule of three nights a week at the boxing training centre in the old elementary school building. Gordon wants all boys who are interested in learning boxing, training, or in helping in any respect, to support the club in their hopes to bring winners again as they did last year when the club chalked up

a very enviable record in boxing circles with winners in Golden Gloves competition, Northern Alberta Championships and Provincial Championships.

Helping out in various phases of the boxing and training schedules is Don Bookler, as assistant Trainer. Don has much boxing knowledge and helped a lot in getting the boys through the Golden Gloves matches last year. Among others helping out in the training program is Dennis Powers.

The local club is rated among the best in Northern Alberta. All other clubs have been well satisfied with the type of boxman taken by the local Drayton Valley Club to boxing cards staged by other clubs in various parts of the province. All the local boys have given an unusually good accounting of themselves at all outside boxing tournaments they have gone to.

CROWN SALES

According to Oil in Canada publication cautions bidding characterized the Crown Sale of Alberta oil leases, January 10th, 1961. The sale was also characterized by an unusually large number of smaller companies. According to Oil in Canada "Maximum prices ran to about half the high figures which were prevalent in the peak of the Pembina boom. Even July Creek and Swan Hills, the hottest spots in the western Canadian oil scene, drew only one of the top-price figures at the rate of more than \$2,000 per acre."

The top bid was \$647,447 for 350 acres in Swan Hills field, for an average of \$2,023.27 per acre, by Mobil Oil of Canada Ltd.

Following is the listing of the sales in the Pembina field, with the amount that was paid per acre, as well as the total amount for the parcel.

John Albert Bright.

Drayton Valley's postmaster, John "Jack" Bright, was born in Belfast, Ireland. When he was five years old his parents immigrated to Canada, coming to Conway where they farmed for several years. Jack finished his high school work in Edmonton and went into the army in 1939.

After a few months after finishing his high school work, he joined the Medical Corp. after. He was sent overseas in 1941, and was stationed in England where he remained until his discharge in 1946.

Like so many other boys overseas, he married a pretty "war bride": Miss Kathleen North, in 1944. Discharged from the army in 1946 he returned to Edmonton where he went to work for the post-office department soon after arrival in Edmonton.

The Brights own their own home in Drayton Valley. In fact they have built two, selling the first one and building the one they are presently living in. They have two sons, John Jr. and Richard.

Jack is a member of the Chamber of Commerce, he is also secretary of the Boy Scout Group Committee. He is a member of the Anglican Church where he has served as vestryman and as church treasurer.

which is open only during post-office hours, from the outside lobby where the boxes are located which is open for a longer period.

In 1967 there were about 600 boxes in use, there are now 900 and plans are made for another hundred in the near future, to bring the total to 1000. At a later date, if necessary, the box area can be extended back and many additional hundreds of boxes can be installed. Mail delivery does not start in a town until there are at least 500 separate mail deliveries. The Federal Government are planning to build a federal building here in a few years, which, when completed, will house the post-office. This will not be done until the growth of the town is well established and some figure could be drawn

service in the local post-office.

Post-Office Remodeling

Another good sign of the growth of Drayton Valley may be seen in the post office expansion which has been underway since the first of the year.

In 1967 when postmaster Bright took over the post-office following the retirement of Mr. Chesterton there were 1428 square feet of floor space in use. The new addition will increase the floor space by exactly 800 square feet, making a total of 2228 feet.

Standard Construction, under the direction of Mr. Doug Siminon, has the contract for the expansion and remodeling job which will make a very attractive post-office interior when finished. Both the inside lobbies and the outside are being finished in natural grain wafercoating. Double doors separate the inside lobby

which is open only during post-office hours, from the outside lobby where the boxes are located which is open for a longer period.
